

### 15 Days of Prayer

Your prayers will empower the gospel to spread across China.

The fifteen days of the Chinese New Year and Spring Festival are an ideal time for American Christians to pray for spiritual awakening in China.

This holiday is the most important of the Chinese festivals. People completely clean their homes and set out New Years decorations. Families spend much money and travel great distances for reunions.

During *15 Days of Prayer* we pray for Jesus' soul-cleansing to touch every corner of China.

We pray for the healing and help that comes with being united with other brothers and sisters in Jesus. We pray for heaven's eternal family reunions to come to hundreds of millions more in China.

316NOW is a ministry of Confessional Lutherans who are committed to bringing the gospel

to the Chinese people by empowering Chinese Christian leaders through Scripture study. We provide online courses for these church leaders. We encourage them to form Lutheran congregations. We teach adult Christians to teach Bible truths to children. We help families love each other as God has loved them.

**A time of prayer for the spread of the gospel in China**

316NOW urges you to dedicate the two weeks China celebrates its New Year and Spring Festivals to prayer for China's 1.4 billion souls. This prayer guide suggests two prayer thoughts for each day of *15 Days of Prayer*: (1) prayers of thanksgiving and praise and (2) prayers that request a blessing. We also encourage you to add your personal petitions for China.
