

15 Days of Prayer

Your prayers will empower the gospel to spread across China.

The fifteen days of the Chinese New Year and Spring Festival are an ideal time for American Christians to pray for spiritual awakening in China.

This holiday is the most important of the Chinese festivals. People completely clean their homes and set out New Years decorations. Families spend much money and travel great distances for reunions.

During *15 Days of Prayer* we pray for Jesus' soul-cleansing to touch every corner of China.

We pray for the healing and help that comes with being united with other

brothers and sisters in Jesus. We pray for heaven's eternal family reunions to come to hundreds of millions more in China.

How to use this guide

The prayer thoughts in this guide may be used in Lutheran schools, in all levels of Bible studies, as well as in family and personal devotions. In addition 316NOW.org has a prayer churches might use during worship. 316NOW's website also provides prayer guides with suggestions for every day of the month.

316NOW is a ministry of Confessional Lutherans who are committed to bringing the gospel to the Chinese people by empowering Chinese Christian leaders through Scripture study. We provide online courses for these church leaders. We encourage them to form Lutheran congregations. We teach adult Christians to teach Bible truths to children. We help families love each other as God has loved them.
